Carly
Members' Only
Figurine
#CT0061, \$30.00 US SRP
Deadline to order: January 31, 2007

Since she was a young cub, Carly has always enjoyed being around sweet smelling blossoms. It's no wonder that today she shares her love of flowers with everyone in Cherished Teddies Town™. She grows them herself in the beautiful gardens behind her humble home and takes great pride in arranging them in stunning bouquets for her friends and patrons.

Lauryn
Members' Only
Figurine

#CT0062, \$20.00 US SRP
Deadline to order: January 31, 2007

Lauryn thoroughly enjoys adding to her favorite collection—her shoe collection. Pumps, flats, boots and sandals, she loves them all, and firmly believes that a new pair of shoes certainly can make all your

worries disappear. She saves her spare change in a special "shoe fund" jar, and when she's feeling blue, she heads straight to the shoe store to find a pair in size 7 that she simply cannot live without.

The Chocolate Shoppe is a one-stop source of pure happiness. So charming with its parquet floors and quaint displays, the shoppe is a welcome sight for those craving something sweet and savory. Danielle, the shop owner, wouldn't trade being a chocolatier for anything. She proudly creates a boxed assortment of all the delicious varieties she had just made that morning for her friend and loyal customer, Lindsay.
